

2007/08 Work Programme RNHRD PPI Forum

Current Members: Connie Wright (Chair); Paul Thomas (Vice-Chair); Hilary Elms; Nancy Young.

1. Integrated Care Pathways

Lead	Chair
Taking Part	All members
Type of Work	Project
Start date	6 th March 2007
End date	Unknown at this time
Details	The forum is assisting the Trust in making complicated Integrated Care Pathways accessible to patients. Depending on how work on the first Care Pathway goes the forum and Trust will decide whether this is an on-going project.

2. Transport

Lead	Nancy Young
Taking Part	All members
Type of Work	On-going from last year
Start date	2006
End date	Unknown at this time
Details	The forum is concerned about the difficulties facing patients travelling from rural areas to the Trust. They are also concerned that the drop off/pick up point outside the hospital is often blocked by delivery vehicles and other cars.
Action (1)	20 day letter written to Trust Chief Executive on Tuesday 19 th June 2006.

3. Action for Pensioners

Lead	Hilary Elms, Paul Thomas
Taking Part	Chair
Type of Work	Community link
Start date	On-going
Details	Through two members the Forum has a formal link to this group. The group has financial backing and the ability to undertake a variety of work including research. HE and PT will bring issues from AfP to the forum when it is felt that the forum can help. The forum will ask AfP for help when through their expertise they are better placed to undertake work than the forum.
